Chalk the Walk ARTsplosion

EVENT DATE:

Jul 24 2010

LOCATION:

17th Street Park

On the beach between 16th and 18th Streets

Two distinct and fantastic art events unfold along the beautiful Virginia Beach Oceanfront at the Chalk the Walk ARTsplosion and 17th Street Art Festival. At the Chalk the Walk, participants draw four by four foot chalk drawings right on the boardwalk! Chalk the Walk participants are encouraged to incorporate the announced theme in their work. 200 competitors complete chalk drawings to be evaluated by a panel of judges. Judges score the drawings according to criteria such as composition, use of color, adherence to theme, and creativity. There are three competitive divisions: Amateur, Professional, and Youth. The Youth division is for ages 12-16. Children 11 and under are invited to draw for fun in a separate area. Trophies and cash prizes are awarded for each division.

At the 17th Street Art Festival, Saturday, July 24, approximately 30 artists representing media such as paintings, jewelry, sculpture, and photography set up booths in the park to display and sell their work.
